Esteemed counsel:

As per the protocol set by the court's order, after having the opportunity to evaluate movant's allegations and the information provided by the Commonwealth's legal representatives, the Commonwealth has determined, in coordination with AAFAP legal representatives, that the best course of action in this case is to decline the request to modify stay because of the complexity of the action and the substantial expenses and costs associated with litigating the same (translation of documents, interpreters, copies, etc.); any pretrial proceedings and a trial would require the expenditure of Debtor resources.

Please confirm receipt of the electronic mail.
